I am ok with this but wanted to see what you thought. I also would recommend that the update note come from one of us (or maybe even Rachel as the meeting organizer) as HHRA representatives.

Hi – We have talked about the EPA wide meeting next week and we think that since we do not have a LOT of new material, instead we would email out the update below (and the attached slide) and cancel the meeting. Next month is the HHRA meeting so we will contribute to that and Deliberative Process / Ex. 5

We can also share the agency review Gantt chart at that time.

Sound OK with you? Do you have any comments on the bullets/slide? We put in GAO as a lead into announcing the timelines next time.

PS – the slide content is the graphic below but it is hard to read.
